Re: **Communication Bulletin #107**
MH/DD/SAS Community Systems Progress Report and
Critical Measures At A Glance

Community Systems Progress Report: Enclosed please find the *MH/DD/SAS Community Systems Progress Report* for the first quarter of SFY 2009-2010. The format of the report has changed this year to give the reader information regarding each Local Management Entity's progress in meeting a critical performance measure over time.

Critical Measures at a Glance: Included with this report is *Critical Measures at a Glance* for the first quarter of SFY 2009-2010, as required by S.L. 2008-107. This one-page matrix shows each LME's performance on the critical performance measures against statewide averages and the performance standards in the *DHHS-LME Performance Contract*. The matrix also shows whether each LME has met the performance standards for at least 65% of the critical measures, which is one of the requirements for consideration to receive single stream funding.

The report, appendix to the report, and matrix are available on the Division website at:
